Ottershaw Village

Neighbourhood Forum - The Designated Area

The Ottershaw Designated Area (DA) sits in the South of the Borough of Runnymede and is in the Ottershaw Ward which covers Ottershaw and West Addlestone.

Created 4 years ago, updated 2020

Data has been derived from Census Output Areas which have been aggregated to 2016 and 2019 wards on a best fit basis. This has been done by allocating output areas to the ward in which the output area's population weighted centroid falls. The aggregations have been determined by the Surrey-i team and may differ from any look up table subsequently produced by the Office for National Statistics.
