- **Communications**

Precis of survey to be drafted for publication on Village notice boards etc.. JL to Draft.

Survey published but Vision will be dealt with separately.

Runnymede Life have approved Jane's article regarding SLAA and will probably be published in September edition.

Over the next months there is a need to develop a strategy regarding SLAA for communication to residents.

GP Overview - A meeting took place on 25th April between 2 doctors and the practice manager of the Ottershaw Surgery and BO, HL & JT. Dr Harris has expressed his wish to retire but happy to lease the surgery to the practice until a new site can be found. The doctors expressed an interest in the proposal for Ottershaw East and stated that there was monies available from ASURA and possibly Vistry. They explained that specialist medical services were shared amongst GP practices and that the local NHS Trust was keen for local GPs to take on some A & E services, these were notdetailed. They were keen for any new surgery to retain a village feel. They explained that on onsite pharmacy was not viable as the surgy was not open at weekends. The relevant section of the ONF Survey was discussed and they were given a copy. It was agreed to maintain future dialogue.

- **Planning Applications:**

Vistry do not own Ottershaw East at present.

Travis Perkins Site, convenience store proposal is being appealed against the refusal of the original application.

A second, revised, application for 9 apartments on the site, RU.22/0552, has been submitted to RBC.

- **Finance:**

Grant submission has been submitted and questions from Locality answered. We can also apply for a Tech Support package for Site Evaluation, awaiting first contact with AECOM.

- **Upcoming Plan Activities (Next 3 Months)**

AECOM Housing Needs Assessment needs review and possible meet with AECOM.

Draft Policy Paper - BO working on first draft.

Draft Plan structure not yet started.

- **Website**

Survey results to be uploaded shortly otherwise Nothing to report

- **AOB**

Schools - it is suggested that a simple survey is created for local school children, 5 to 11 years. It was pointed out that only between 30% to 40% live in the village and this will need to be taken into account when evaluating the results.

Home Farm Project - are holding an open day Saturday 8th May.

- **Next Meeting of SC at Village Hall - Thursdays 12th May 2022.**

The meeting was concluded at 8.35pm
